#### WORDS FROM THE FIRE CHIEF

Honorable Mayor, Members of City Council, Citizens and Business Owners of Manitou Springs,

It is my honor and pleasure to present the Manitou Springs Fire Department Annual Report. This report provides a glimpse into the events and activities performed by our department and its members for the year ending December 31st, 2022.

The Manitou Springs Fire Department began the year 2022 with a distinct reminder that the wildland urban interface fire risk is a year-round concern. Manitou Springs Fire Fighters, along with other crews from around El Paso County, responded to assist our neighbors to the north in Boulder County where the Marshal Fire ended up consuming 6026 acres and destroying 1084 homes.

In traditional style, the department continued to show its commitment to our citizens, business owners, and visitors through significant efforts that included, all-hazards and emergency medical training; participation in community events such as homecoming festivities, food baskets for the needy, and the Christmas parade; and providing medical staff for the Coffin Races, Carnivale and School District #14 sporting events.

Operationally the department saw personnel change, equipment enhancements, deployments to 3 very large wildland fires, and significant participation in specific training opportunities such as hazardous materials and wildland firefighting.

Probably the most significant and time-consuming effort of the year involved numerous department staff, both paid and volunteer, to create and implement a new EMS Transport Division of the department. The department applauds our City leaders for their gracious consideration and foresight to support this endeavor. The department will begin providing Emergency Medical Transport services to our community in early 2023 that will greatly reduce the response time for an ambulance to arrive at an incident and transport patients of injury or illness. Additionally, this service will reduce the time spent on scene of incidents by responders freeing them up for other incidents and reducing the number of overlapping calls.

The Fire Department as always continued to provide excellent, compassionate, and professional All-Hazards Emergency Services, exemplifying the department's motto, "Neighbors Serving Neighbors". In reviewing the data in this report, it is my desire that everyone recognizes the value they have in the Manitou Springs Fire Department, and how much each of its members gives to our community to provide unwavered service.

During the year 2022, the Fire Department recognized a decrease in alarm volume of 8.6% over the year 2021, but still found an 8.7% on average increase over the previous three years, 2018 through 2020. Almost 50% of this decrease can be attributed to limiting responses to non-hazard, non-life-threatening motor vehicle accidents.

On behalf of all members of the Manitou Springs Fire Department, I would like to thank our city's leaders and our community for your support and wish you all a very safe and healthful 2023.

Sincerely,

John K. Forsett Fire Chief

#### **2022 SUMMARY**

Population: 4,832

Manitou Springs Area (in Sq. Miles): 3.3

Annual Budget: \$1,227,803 Salary & Benefits: \$875,571

Operations & Maintenance Budget: \$352,232

Total personnel in Fire Department: 45

Total volunteer personnel: 39

Total full-time staff: 6 (1 EMT and 1 Paramedic per day)
