WORDS FROM THE FIRE CHIEF

Honorable Mayor, Members of City Council, Citizens and Business Owners of Manitou Springs,

The Manitou Springs Fire Department Annual Report provides a glimpse into the events and activities performed by our department and its members for the year.

2019 was a wonderful year for the department with many opportunities that favored our ability to provide fantastic professional service to our community. Of most importance, the department took delivery of a new Class A Engine that replaced a previous engine that had proudly served the community for 23 years.

As always, for the well-being of our firefighter's lives and the community they protect, training continues to be my most important focus. The Fire Department's training cadre is among the best, and this past year they maintained their direction to research and provide our members with some of the most progressive and relevant opportunities for All-Hazard responses. Additionally, numerous efforts made in 2019 continued toward developing a much needed training environment for firefighters. One of these efforts successfully garnered support through a significant grant from the Department of Local Affairs.

One of the city's greatest risks is that of a wildland fire. As seen in communities throughout the country, devastating wildfires are becoming more frequent and occurring during all seasons of the year. The City of Manitou Springs is situated in a valley below Pikes Peak that like communities in California, have foehn winds. These winds, known in the Pikes Peak Region as Chinook winds, mixed with our topography, fuels, and the right weather conditions, can create a recipe for uncontrollable wildfires. To combat this, and improve wildfire adaptability for the community, the Fire Department completed the city's first Community Wildfire Protection Plan (CWPP), and performed Wildfire Risk Assessments on every parcel within the city limits of Manitou Springs. These efforts along with tools to educate the public will help fuel discussions and guide mitigation efforts in the years to come.

On behalf of all of the members of the Manitou Springs Fire Department, I would like to thank our city's leaders and our community for your support, and wish you all a very safe and healthful 2020.

Sincerely,

John K. Forsett Fire Chief

2019 SUMMARY

Population: 5,346

Manitou Springs Area (in Sq. Miles): 3.3

Annual Budget: \$1,008,691.00 Salary & Benefits: \$763,717.00

Operations & Maintenance Budget: \$244,974.00

Major Capital Budget: \$632,480.00 (New Fire Engine)

Total personnel in Fire Department: 44

Total volunteer personnel: 38

Total full-time staff: 6 (1 EMT and 1 Paramedic per day)

Number of:

RESPONSE TIMES BY YEAR

Arrival within 8 minutes of Dispatch: 87.42%

Time in 'Q': From answer of 911 call to Units Dispatched

Assigned to En route: Time from MSFD notified to wheels turning

En route to Arrived: Travel time to scene

Assigned to Arrived: Time from MSFD notified to arrival on scene

^{*}Majority of calls with arrival over 8 minutes are associated with trail rescues

NUMBER OF PERSONNEL RESPONSES PER YEAR

Average of 2 paid staff per call, remainder are volunteer personnel
